

Thank you to all of our donors

Honor Roll of Contributors

AbilityFirst gratefully acknowledges support received from the following individuals, corporations, foundations, estates and trusts, and support groups during fiscal year 2008-2009 (July 1, 2008 – June 30, 2009). While the listing here recognizes donors whose gifts totaled \$100 or more during the fiscal year, each and every gift and volunteer hour is valued by AbilityFirst. In spite of extensive efforts to avoid errors and omissions in this year's honor roll of contributors, mistakes can occur. If your name was omitted, listed incorrectly or misspelled, please notify us. Gifts received after June 30, the close of the fiscal year, will be included in the subsequent year's annual report. Thank you for your generosity.

AbilityFirst Giving Society

The AbilityFirst Giving Society was launched in 2005 to honor individuals and organizations that make an annual contribution of \$1,000 or more. These contributors financially assist AbilityFirst in meeting the needs of the disability community, while serving as ambassadors for AbilityFirst. We salute the following members of the Society during fiscal year 2008-2009.

Capital Campaign

In September 2007, the AbilityFirst Board of Directors approved a \$5 million capital campaign to replace the small and outdated AbilityFirst Harry A. Mier Center in Inglewood with a new, state-of-the-art facility, to be known as the Joan and Harry A. Mier Center. The following list includes individuals, foundations and organizations that made gifts to the AbilityFirst Capital Campaign for the Joan and Harry A. Mier Center: Building Independence-Celebrating Community during fiscal year 2008-2009. Their names are marked with an asterisk (*). Contributors both to AbilityFirst annual fundraising programs and to the capital campaign are marked with two asterisks (**).
