**About AbilityFirst**

AbilityFirst provides a variety of programs that have a common mission: to help people with disabilities realize their full potential throughout their lives. As we celebrate more than 96 years of service, we are focusing our efforts on programs that are proven to have the greatest impact on a person’s success: basic life skills enhancement through our children’s and adult programs; higher education and employment readiness; and independent living and social and recreational programming.

AbilityFirst looks beyond disabilities, focuses on the capabilities of each individual and breaks through any preconceived limitations, opening up a world of possibilities.
