ATOM – World’s Fastest Painter Shares his Talent with a Local Charity

PASADENA CA (March 15, 2013) – The AbilityFirst Lawrence L. Frank Center will hold their regular scheduled Friday Night Social on Friday March 15 from 6:30 – 9:00 pm at the center located at 201 South Kinneloa Avenue Pasadena 91107. Contributing to an already special evening for young adults with disabilities, a very special appearance will be the topper of the evening which will feature ATOM, the world’s fastest painter. ATOM has taken his talent all over the world using his creative art of painting with oil base colors creating amazing art in 3 minutes with NO use of a brush! His extensive talent has been featured in many local area media such as Good Day LA, ABC Eyewitness News LA, KTLA Morning News LA, LA Times and TMZ, along with rubbing elbows with ‘A’ list celebrities.

“This will be fantastic for our young adults to watch, I know they will be extremely entertained and this will definitely add a special touch to our Friday Night Social,” commented Mike Barkyoumb, Center Director at the AbilityFirst Lawrence L. Frank Center. “I’m not sure how we’ll top this one!”

About Ability First

[AbilityFirst](http://AbilityFirst.org), established as the Crippled Children’s Society of Southern California in 1926, provides programs and services to help children and adults with disabilities reach their full potential. Through 24 [locations](#) across Southern California, they offer a broad range of employment, recreational and socialization [programs](#) as well as accessible residential housing complexes and an accessible camp, [Camp Paivika](#), for both children and adults with physical and developmental disabilities. All facilities are licensed by the California Department of Social Services.
